Dear Yvonne

We want to express our sincere appreciation to you for your involvement in our Christmas Party for the Orphaned and Abandoned Children which was held in December 2004.

Your generosity more than helped in making this event a huge success. More than 1800 children were catered for on the day and this day was made even more special by your contribution.

We are enclosing a CD of the event for your records as well as a photo depicting the happiness that you brought into the lives of these children.

Once again our sincere thanks and appreciation to you for helping to make this such a special event and we know that God will richly bless you for opening your heart to these children.

Yours sincerely
