TAX EXEMPTION AND NON-PROFIT ORGANISATION ACT

We would hereby like to request you to assist us with the re-registration of all our schools in District D3 with the South African Revenue Service, and, at the same time to register all schools as NPO's as required by the non-profit Organisation Act.

We would also like to request you to do training on the utilization of tax exemption on donations, as well as the writing of funding proposals to possible sponsors.

Please receive the EMIS numbers of the schools in our District as per Annexure A, which you will need for finalizing these registrations.

We thank you for your support and the excellent service rendered to our schools.

Yours in Tirisano,

L.M. Van Vuuren
